Former prices will be honored for all orders with immediate release received by Friday, January 16, 2026, if stocking orders do not exceed 1 month's average purchases. New list prices will be available by January 19, 2026, at [watts.com/data-exchange](http://watts.com/data-exchange). Price books will be available as soon as they are completed. You will have the option of printing a copy of the price sheet in .pdf format or downloading list prices in Excel and other formats.

We appreciate and thank you for your business and assure you of our commitment to continue to supply you with quality products at competitive prices. If you have any questions or need further clarification of these changes, please contact your local representative.

Sincerely,  
**Watts Water Technologies**
