

December 1st, 2025

Dear Valued Partner,

Thank you for your continued partnership and the trust you place in us. We are grateful for your business and are committed to providing you with the highest quality products and dependable service.

As you are undoubtedly experiencing in your own business, the global economic landscape continues to present challenges with the ongoing inflation in material, labor, freight, and operational costs. While we have diligently drove operational efficiency, it is has become necessary to implement a price adjustment.

**Effective February 1st, 2026, nVent CADDY, ERICO, ERIFLEX, ILSCO, and UTILCO will implement a list price adjustment ranging from 0% to 6%.**

*Actual adjustments will vary by brand, product class, and sku.*

Updated pricing list files will be available and provided 30 days prior to the implementation date.

Orders received before midnight on January 31st, 2026, for delivery prior to February 7th, 2026, will be invoiced at the pre-price adjustment levels. Orders with delivery dates beyond February 7th, 2026, will be updated to reflect the new pricing.

We understand that price adjustments can be difficult to navigate, and we are committed to working with you through this market volatility. Please do not hesitate to reach out to your account representative if you have any questions or require further clarification.

Thank you for your understanding and continued partnership. We look forward to continuing to serve you.
