Dear Valued Customer,

Thank you for your business and continued support of the National Fire Products (NFP) brand. We are dedicated to delivering the highest quality products and services and we continually monitor market conditions to provide our business partners with exceptional value at a competitive price.

In response to current market conditions, effective February 2nd, 2026, National Fire Products (NFP) will implement a price increase on NFP Resi-Risers and Drain Valves by 12 – 20%. The following Discount Groups will be affected:

T828 – NFP Resi-Riser Mani Assembly	12%
T816 – Resi-Riser Valves	20%

All open orders shipped on or after February 2nd, 2026, will be subject to the increase. If you have an outstanding job quote for included products, contact your local Ferguson Associate for any potential pricing impact.

If you have any questions regarding this notification, please contact your local Ferguson representative.

We appreciate your continued partnership and support of National Fire Products (NFP)
