

July 1, 2026

Dear Valued Partner,

While we continue to explore solutions to mitigate increased costs including from raw materials and finished goods, we are adjusting prices in some areas of the portfolio effective August 3, 2026 as follows:

- 4.3% increase on the following products:
 - Restaurant systems
 - Vehicle systems
 - Gaseous systems
 - Industrial systems
 - Portable fire extinguishers
 - Foam concentrates and hardware

Please note that all orders remain subject to price adjustments, upon notice and prior to shipment, in accordance with our applicable [terms and conditions of sale](#).

If you have any questions, please contact your local sales leader.

Thank you for your understanding and cooperation.

Sincerely,

Courtney Santmire

Regional Sales Director, Fire Suppression, Americas
