Dear Fayette Pipe Customer:

Effective immediately, Fayette Pipe will be increasing steel pipe prices $100 to $200 per ton on all standard and sprinkler pipe products. The amount of the increase will vary by item.

Orders currently on our books will remain price protected. This increase applies to all unconfirmed quotes and contracts. New price sheets will be sent to you reflecting the increase and will be adjusted for any changes in freight rates.

We thank you for your continued support.

Sincerely,

Scott Smith
