November 6, 2026

Dear Valued Partner,

While we continue to explore solutions to mitigate increased costs including from raw materials and finished goods, we are adjusting prices in some areas of the portfolio effective December 7, 2026 as follows:

- Water & Mechanical: 4% excluding Resale

Please note that all orders remain subject to price adjustments, upon notice and prior to shipment, in accordance with our applicable terms and conditions of sale.

If you have any questions, please contact your local sales leader.

Thank you for your understanding and cooperation.

Sincerely,

Courtney Santmire
Regional Sales Director, Fire Suppression, Americas
Johnson Controls
